5. Berth [redacted] the pier labeled designator A. The pier was constructed of rock and stone and is about 1500 meters long. It is 25-30 meters wide and is about four meters above low water. One open lumber shed was situated on the pier.

25X1

25X1

6. Naval Vessels [redacted] many destroyers, submarines, and three or four cruisers were operating [redacted]

25X1

7. Merchant Vessels [redacted] observed [redacted] two Soviet freighters loading lumber at subject port. All of the vessels were six to eight thousand ton vessels.

25X1

8. [redacted]

25X1

9. Miscellaneous The people [redacted] were poorly dressed and sullen. They expressed no anti-regime feeling openly but [redacted] the people were disgruntled due to the shortage of consumer foods and the high prices of those available. Several large apartment houses were being built but construction was proceeding slowly. Oil-handling docks were located in the area labeled designator B. The building which houses the port offices is located at position labeled designator C. Six to eight thousand ton ships were being built in the shipyard at position labeled designator D. The control gate to the port basin is located at position labeled designator E. The breakwater at position labeled designator F was reportedly removed.
